JASMINE, TYRIQ AND HASAN ARE  
ALL GOOD FRIENDS; THEY ALL  
GREW UP TOGETHER ON THE SAME  
ESTATE IN LUTON AND WENT TO THE  
SAME HIGH SCHOOL.

Jasmine, Tyriq and Hasan are part of a large group of teenagers in the area but they spend most of their time with together.

After school and at weekends they usually just go for food, to the local park and just hang out together.

## JASMINE

Jasmine is 16 years old and lives with her mum, dad and older brother; her parents work a lot and money is tight.

Jasmine spends a lot of her time out with friends.

Jasmine is always posting on Snapchat and Instagram but struggles with her confidence and feels better when she is in a group.

She is talented at sports and wants to be a PE Teacher; just like Miss Hill, a teacher at her school who she gets on really well with.

## HASAN

Hasan is 15 years old and lives with his mum. He is the oldest of 5 children.

He has a large family all across Luton and most people know-of his family.

He spends a lot of time with his cousin, Dylan who is also 15.

Hasan can be pretty-loud and is 'the joker' of the group. Although he is a bubbly person, Hasan finds school difficult and often kicks-off in class. He is now going to an alternative provision during the week to help with his Maths and English.

## TYRIQ

Tyriq is 16 years old. He is a Child Looked After and has been in Luton with his foster carer, Andrea, for over 5 years. It is just the two of them and they get on well. Tyriq doesn't really see his family and often has meetings with Social Workers.

Tyriq is a huge football fan; always watching, playing and talking about football. He gets on well with his football coach.

Tyriq works part time in the local Nisa and this has helped his shyness. He gets on okay at school and is generally quite a chilled person but does smoke a lot of weed.

# CRIMINAL EXPLOITATION

One night Jasmine was out and went into the local take away for some dinner. Inside, there were a group of older boys sat down who she recognised from the estate. She started talk to them and they paid for her food. *"Nice, that's pretty decent"* she thought.

Jasmine gave her Snapchat username to one of the boys and chatted to them for about an hour before going home. The next morning, Jasmine received a Snapchat from one of the boys.

## **BIG ££££ – two hours work – DM Me**

Jasmine needed new clothes, trainers and phone credit. Thinking about it more, she saved posts on Instagram of things she wanted to buy. Jasmine mentioned it to Tyriq and Hasan but they shrugged it off.

*"I could really do with earning some money"* she said. *"Those trainers, wow, but they are £395, no way mum and dad can afford those."*

Later that day, Jasmine returned to the take away. The group welcomed her back into the shop *"Ayyy Jasmine .. Here she is"* they all joked. They ate food and she smoked weed outside with them which she didn't normally do.

One of the boys even gave Jasmine some money for phone data.

*"So what if they are a bit older than me, they are more fun than Hasan and Tyriq; plus free food and phone data"* Jasmine thought.

Jasmine was there all night and showed the boys some of the posts she had saved; One said *"I can help you get those trainers you know ... and that busted iphone screen fixed!"* The group laughed and Jasmine was embarrassed. How? She wondered.

The boys told Jasmine that they would give her £500 for taking a ruck-sack on the train to Northampton. She would have to give it to one of their boys when she got there *"but don't you dare look in it Jas; trust me, I'll know if you have"* they threatened.

## WHAT OPTIONS DOES JASMINE HAVE?

---

### 1) TAKE THE BAG

Take the bag to Northampton, do the drop off, come back to Luton and get paid

*"Light work. Everyone is going country nowadays, then can order bare stuff online"*

### 2) SAY NO

Say No to going country; but what would the boys think?

*"What will happen if I don't do it? Maybe I should talk to my brother about this?"*

### 3) SOMETHING ELSE

# YOUTH VIOLENCE

*"Just finished school, come meet me"* Hasan messaged his cousin Dylan. It was the first week at the alternative provision for Hasan. He found it okay but it was a 20 minute bike ride from his estate which meant he had to go-through the town centre; Hasan didn't feel safe as he heard there had been fights recently and possible beef. Hasan said to Dylan when he arrived - *"Come let's go back to the ends ... lets avoid town though"* Dylan told Hasan it was calm as he was carrying. Hasan and Dylan were half way into their journey; half way home. They heard shouting as they cut through an alleyway. Three boys were facing them. One boy from another postcode was coming towards them *"you aint from around here; did I say you could pass through? Come here fam"* Hasan tried to joke *"its calm bro we just cutting through, we're going"* Dylan jumped off his bike and went towards the group, reaching into his waistband. *"Come Hasan, back me man"*.

Hasan felt scared but the adrenaline took-over, his body was shaking and tingling. A fight started. Hasan watched Dylan wrestle with the other boy. Dylan dropped his knife. The other boy grabbed it and stabbed Dylan in his lower back as he tried to get away. Dylan fell to the floor. Hasan was shaking and called an ambulance, using his coat to push down on the wound in Dylan's back. Hasan went to the hospital with Dylan. Luckily Dylan survived but he had serious injuries.

Hasan hasn't been able to sleep, eat or talk about what happened since. Hasan has been having 'mad flashbacks' and has been smoking more weed since it happened. Hasan has been less of a 'loud joker'. His friends and his family are worried about him.

Dylan has been thinking a lot about what happened and people have been calling him 'moist' on Snapchat and Instagram. A month later, Dylan phoned Hasan and was angry, shouting *"yo bro, I know where that man who shanked me is right now, come let's go"*

WHAT OPTIONS DOES HASAN HAVE?

---

1) HOOD UP

Hood up, grab a bike and grab a weapon and go meet his cousin. *"That's my cuz, I got his back ... might help my mad thoughts to put this to rest"*

2) SAY NO

Say no to going.  
"What will happen to Dylan if I don't go? He already has injuries, it could be worse. Maybe I should talk to someone about this"

# SEXUAL EXPLOITATION

Tyriq heard about a house party on the estate. His foster carer, Andrea, wasn't keen for him to go but agreed and said to be back by midnight. Tyriq decided to pass through with a new boy who moved in next door; 17 year old Josh. They reached the party and went into the kitchen to pour a drink. The drill music was playing loudly and the air was cloudy from all the weed being smoked. "*my kinda vibe*" thought Tyriq. Josh started chatting to girls. After a couple of drinks, Tyriq's confidence grew and he started talking to them too. He continued to drink and smoke for the next hour and didn't notice when Josh was gone.

Around 11.30 pm, Tyriq started to look around the house and found Josh in a bedroom with two other boys and a girl Tyriq knew of from the estate, Ella.

"*Get in here Ty*" Josh called him in. The boys encouraged Ella to give Tyriq oral sex, which she did. Tyriq was pretty wavy, but wasn't too keen to do this. "*I don't even really know this girl!*" Tyriq thought; the other boys were cheering him on. Josh laughed and joked, patting Tyriq on the back. Josh also filmed it on his phone. Ella asked Tyriq for some cannabis and money for a taxi home, which he gave her.

They walked downstairs, Josh put his arm around Tyriq and tapped him with his phone. "*Bro, your first line up!! Congrats!*" Tyriq wasn't sure what to say to Josh.

Josh continued "*You know Ella is 13 years old right?! I heard her big brother is a MAD-MAN! You don't want him knowing about this. Go grab me a drink and we can talk about what I do with this video.*"

A person with dark dreadlocks is shown in profile, looking towards a large, glowing, abstract shape that resembles a cluster of bubbles or a stylized face. The shape is illuminated with vibrant blue and purple light, creating a dreamlike atmosphere. The person is wearing a dark jacket and a watch on their left wrist.

## WHAT OPTIONS DOES TYRIQ HAVE?

---

### 1) TALK TO JOSH

*Talk to Josh, tell him to allow it "Do what you want with that video still. I was just on a good vibe at the party. Everyone was doing it, and more. I aint afraid of her brother, I brought you here to meet people from the ends."*

### 2) LEAVE THE PARTY 3) SOMETHING ELSE

*Leave the party, head home and the next morning talk to Andrea / football coach. "Mad this girl is 13 still. I didnt even really want to do it. Is she okay? What will happen to me if her brother finds out? What if the Police find out? Maybe I should talk to someone about this"*
